

We all have beautiful memories of our holidays and many old photos, hidden in the cupboards of the family house.

Les Petits Canons celebrate these happy times, these moments, these emotions, magically caught.

These limited edition wines will be perfect with your “petanque” parties, your Sunday family lunch and your aperitifs by the river.

To revive the memory of the past, remember and enjoy, these simple and convivial drinks, we will never forget them.

For sure, nothing has changed.

Salut les copains !
